

University of Alabama at Birmingham presents

2nd Annual DHARS Symposium

The UAB Center for Disability Health and Rehabilitation Science presents the 2nd Annual Symposium for DHARS.

“Optimizing Health, Function and Participation in Children and Adults with Disabilities”

The free event, open to everyone, is highlighted by three keynotes:

- **Diane Damiano, PT, PhD** - Chief of Functional & Applied, Biomechanics Section, NIH Clinical Center, Bethesda, MD
- **Ken Ottenbacher, OT, PhD** - Professor & Director, Rehabilitation Sciences; Professor, Internal Medicine; Professor, Occupational Therapy; University of Texas Medical Branch, Galveston, TX
- **Pamela Duncan, PT, PhD** - Professor, Neurology, Gerontology and Geriatric Medicine; Wake Forest School of Medicine

In addition to three keynotes from top experts, the day long symposium includes in-depth panel discussions and student research posters.
